

It all began with a peach. The **Genuine Georgia Group**: three guys born and raised in the same dirt their great-great-grandfathers grew peaches in 130 years ago. Genuine Georgia is located in Fort Valley, Georgia.

- Strawberries are the only fruit with seeds on the outside.
- Strawberries have an average of 200 seeds on each berry.
- Strawberries are the first fruit to ripen each spring.
- Strawberries are grown in every single U.S. state!
- ★ **Just 8 strawberries contain MORE VITAMIN C than an orange!**

Locally grown Strawberries served in your café!
