

Heller Bros.
is located in Winter Garden, Florida.

Indian River Exchange
is located in Fort Pierce, Florida.

- Grapefruits are a subtropical citrus fruit.
- Grapefruit was named by a Jamaican farmer who noticed the way it grew in clusters – like grapes – on a tree.
- Grapefruit are the largest citrus fruit.
- The skin can be pink, yellow, red or even white and the inside is very juicy and slightly tart.

★ Grapefruit is an excellent source of vitamin C!
