

Apples

Jimmy Nix & Sons'
is a family-owned
& operated Apple
orchard in
Hendersonville,
North Carolina.

- Apples float because 25% of their volume is air!
- Apples are a member of the rose family.
- There are 2500 varieties of apples grown in the United States and 7500 worldwide.
- There are an estimated 360,000 apple-bearing trees in Georgia.

★ Apples are high in fiber and vitamin C!

**Locally grown Apples
served this November!**
