

Apples

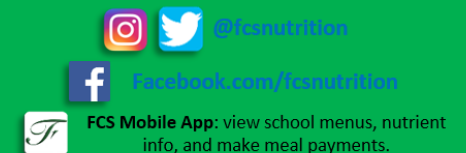

Jimmy Nix & Sons' is a family-owned & operated Apple orchard in Hendersonville, North Carolina.

- Apples float because 25% of their volume is air!
- Apples are a member of the rose family.
- There are 2500 varieties of apples grown in the United States and 7500 worldwide.
- There are an estimated 360,000 apple-bearing trees in Georgia.
-  Apples are high in fiber and vitamin C!

Locally grown Apples served this September!
