

# Tomatoes

**Locally grown  
Tomatoes  
served this May!**

**Divine Tomatoes** is located in Immokalee, Florida.

**Estrada & Sons** is located in Ona, Florida.

**Sunripe Certified** is located in Parrish, Florida.

- Georgia is a top producer of fresh market tomatoes.
- Tomatoes are the second most consumed vegetable in the U.S. behind potatoes.
- Botanically, the tomato is a fruit, but in cooking it is considered a vegetable.
- The average American consumes around 80 pounds of tomatoes a year!
- ★ Tomatoes are an excellent source of vitamin A!
