

**Bennett's Fresh Pak** is located in Waycross, GA. The Bennett family stands as a beacon of agricultural heritage and innovation. Brothers David and Andrew Bennett are the driving force behind Bennett's Fresh Pak Blueberries.

With a deep-rooted commitment to their ancestral land, David and Andrew have transformed 120 acres of fertile soil into a meticulously managed blueberry haven. Their dedication to excellence extends beyond cultivation; they've established a state-of-the-art packing, cooling, and shipping facility to ensure peak freshness and quality.

# Blueberries

- Blueberries belong to the Ericaceae family, which includes Cranberries, Azalea, and Rhododendron.
- Blueberries grow in clusters on bushes.
- Blueberries are one of the only natural foods that are truly blue in color.
- Blueberries were originally called "star berries" because the blossom end is shaped like a star with five points.
- ★ Blueberries are a good source of vitamin C & K!
